INSTRUCTIONS TO BIDDERS

These Instructions to Bidders govern the submission of all proposals.

1.0 SUBMISSION OF PROPOSAL

You must submit your proposal based on these Instructions to Bidders, the enclosed Proposal Invitation Letter and Specimen Contract.

Please direct your proposal in original plus two (2) copies to the mailing address identified in the Proposal Invitation Letter.

Your proposal must be received at the address stated in the Proposal Invitation Letter on or before the closing date and time. Any proposal not complying with this condition may not be considered and shall be returned, unopened. Company has a strict proposal opening policy that requires all proposals to be opened simultaneously and witnessed by several "impartial" parties.

The original of your proposal should be clearly marked "Original." The copies must be identical to the original and may be photocopied from the original after signature.

The proposal must include at a minimum the following:

1.1 Proposal

1.1.1 Denver Transit Operators (DTO) Vehicle Maintenance personnel are responsible for positioning trains on daily servicing tracks. Train cleaning cannot start on a track until all cars are positioned on said track. Generally speaking, there will be six (6) cars (two cars = one Married Pair) positioned on a track. Three tracks will be utilized for cleaning all cars on a rotational basis.

DTO assumption is that at least two (2) teams are required given time restrictions and train availability. However bidders should provide the most efficient staffing plan to satisfy start and end times.

The schedule below provides the estimated time frames for the car availability per track;
